

Dear Families,

March 2<sup>nd</sup>, Read Across America Day, is our kick-off month for the Reading Hall of Fame. The program is a read-at-home program for the students of Bolton Center School. This is an opportunity for students in PreK-8<sup>th</sup> grade to demonstrate their reading abilities, read a wide variety of literature, and help us promote the joy of reading!

In order for your child to become a member of the Reading Hall of Fame, he or she must fulfill certain requirements based on their grade level. Students will have the opportunity to engage with all different genres of text, from award winning fiction to impactful poetry, through digital platforms or traditional printed text. Digital reading may take place through platforms such as: Newsela, Scholastic Scope, Hoopla, Go Epic and/or Stora. Ms. Herrick is available in the library to help students find books. Please be sure to call or email the Bentley Library for help in finding books for your grade level.

Since this award must be earned outside of school, we encourage parents and children to talk over the requirements. Developing a plan together to complete the program by April 8<sup>th</sup> is a great organizational skill for your child.

Students will be receiving their logs on March 1st. Completed logs may be returned to their classroom teacher by April 6<sup>th</sup>. We are excited about the start of this program, and hope that ALL students become members of the BCS Reading Hall of Fame. If you have any questions, please contact Mrs. Pagani or Mrs. Smith. **We hope you start reading today!**

Sincerely,

Mr. Darryl Giard, Principal

Ms. Amela Fejzic, Assistant Principal

Ms. Jennifer Herrick, Library Media Specialist

Mrs. Wendy Pagani and Mrs. Lauren Smith, ELA Academic Leaders

Mrs. Elizabeth Thornton, Bentley Memorial Library
