

WINTER AFTERSCHOOL PROGRAM

Outer Space & Physics Fun!

When: Wednesdays from 3:15-4:15, 1/31 thru 3/6

Where: Bolton Center School 7/8th Grade staff room

Who: Ages 6-11

Cost: \$150.00

Come join an exciting world of space exploration as you build and take home your very own Solar System Kit! You will assemble your own model, learn all about our planetary neighborhood, and watch the planets move around the sun powered by battery or solar power. Check out our real meteorite fragment samples! Take part in other exciting activities involving physics, air pressure, and density.

Take home your own cosmic rocket and watch it shoot up fifty feet into the air! Be mesmerized as you assemble and take home your own stunt plane and learn about the four major forces of flight. You will also witness some really neat demonstrations from your instructor. Watch as an egg is magically sucked into a bottle, behold a tornado being created, and much much more in this fun and exciting program!
