# Amazing Assemblies

Every year BCS puts on some pretty amazing assemblies! Read below to hear more about the different assemblies we've had so far this year!

## BMX Assembly

On 12/13, Mannie Nogueira, a professional BMX athlete, came to BCS and put on an incredible assembly for all students in grades K-8. This was a great assembly that taught us to never give up on anything. Mannie shared that if you ever fail at something, make sure to get right back up and try, try, try again!

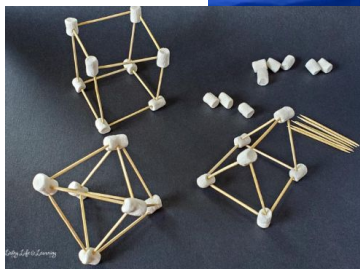

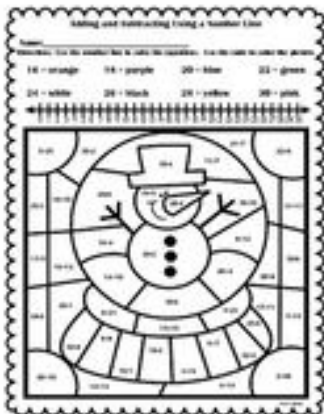

## WINTER ASSEMBLY

The winter assembly was a fun assembly with sing-along songs, games with the teachers, and a school poem. There was also a fun video that the teachers made of them dancing. It's so much fun and it's a great way the school says goodbye to the students for winter break.

# Winter Family Night

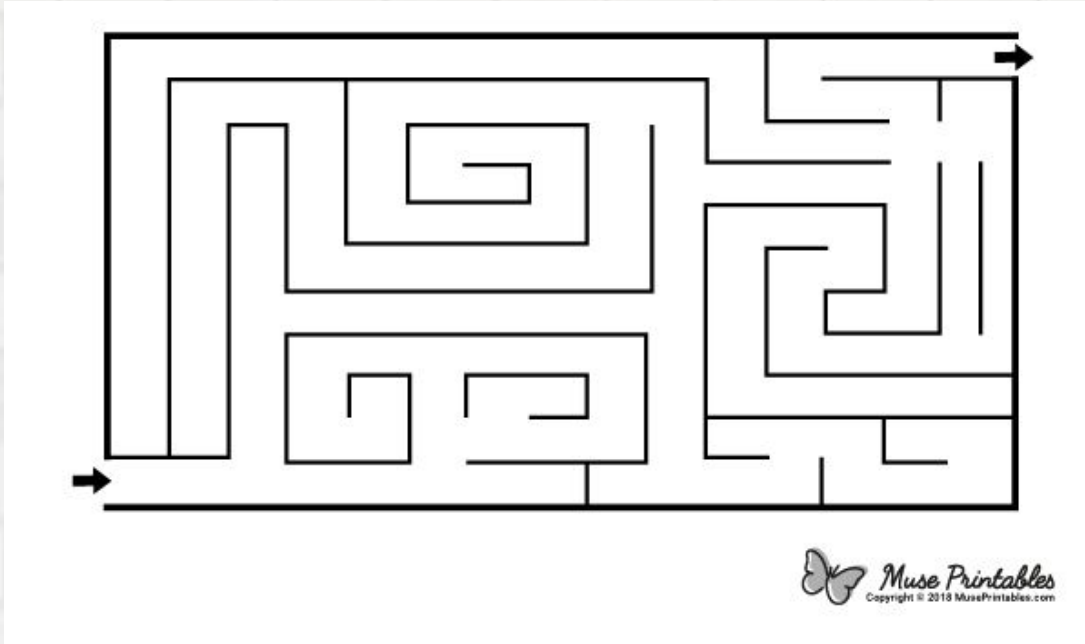

There were a lot of fun things at this year's Winter Family Night such as cookie decorating and different things to color. There were also snacks like popcorn that everyone loved! Students and families could participate in many fun activities like the raffle where you could have won books, Bolton merch, or an amazon gift card. We asked a 5th grade student their favorite part of Winter Family Night and they said, "My favorite part was being with friends." A fourth grade student, Sarah, A. said, "I liked the sugar cookies and hanging out with friends. Another student, Maya M. shared, "I liked the raffle tickets, popcorn, games, and food! All of the above!" Annie Z.H. in 4th grade said, "I loved Winter Family Night so much! The snowball toss and powdered donut snowman were my favorite parts!" Winter Family Night was a great night for the BCS community.
