Welcome to PowerSchool Mobile

PowerSchool Mobile gives you access to your student's data right in the palm of your hand!
This guide will help you get started using the PowerSchool Mobile app.

Device Requirements

Mobile apps require the following operation system version installed on your device:

Mobile App	OS
PowerSchool Mobile (iOS) v2.8.1	iOS 10.3+
PowerSchool Mobile (Android) v2.3.0	Android 7.0+

Mobile App Download

PowerSchool Mobile can be downloaded from the Apple App Store or the Google Play Store:

iOS App
https://itunes.apple.com/us/app/powerschool-mobile/id973741088
Note: You can also open the App Store app on your iOS device and search for "PowerSchool". PowerSchool apps should be the first results that appear.

Android App
https://play.google.com/store/apps/details?id=com.powerschool.portal
Note: You can also open the Play Store app on your Android device and search for "PowerSchool". PowerSchool apps should be the first results that appear.

Sign in to the PowerSchool Mobile App for iOS

After you have downloaded the mobile app to your device, configure the app to recognize the server at your school district and then sign in to the app with your PowerSchool Student and Parent Portal username and password.

The PowerSchool Mobile app walks you through the process.

Note: If you do not have a PowerSchool Student and Parent Portal account, tap **I Need An Account** at the bottom of the first screen for complete information on how to get an account.

Enter the District Code

The district code is a four-digit code that you enter on the sign in screen. This connects the app to the PowerSchool SIS at your school district. You will then enter your username and password to sign in to PowerSchool.

Obtain your district code using one of the following options:

- How to Retrieve the District Code from the Portal.
- How to Search for Your District Code in the Mobile App.
- How to Enter the Server URL for Your District.

How to Retrieve the District Code from the Portal

1. Sign in to the PowerSchool Student and Parent portal. The district code appears in the bottom left hand corner of the menu bar.

2. Enter this code in the PowerSchool Mobile app to allow you to sign in to your district.

How to Search for Your District Code in the Mobile App

1. Open the PowerSchool Mobile app.
2. On the Sign In screen, tap **Where's My District Code**.
3. Select **Search by School or District**, then enter your school or district name in the search field.
4. Select the district when it appears on the screen.
5. On the Sign In screen, enter your username and password, and then tap **Go**.

How to Enter the Server URL for Your District

1. Open the PowerSchool Mobile app.
2. On the Sign In screen, tap **Where's My District Code**.
3. Select **Enter Server Address provided by your school district**.
4. Enter the PowerSchool server address in the field provided, and then tap **Submit**.

Enter Your Username and Password

On the Sign In screen, enter your PowerSchool Parent Portal username and password, and then tap **Go**.

# Sign in to the PowerSchool Mobile App for Android

After you have downloaded the mobile app to your device, configure the app to recognize the server at your school district and then sign in to the app with your PowerSchool Student and Parent Portal username and password.
The PowerSchool Mobile app walks you through the process.

Note: If you do not have a PowerSchool Student and Parent Portal account, or if you do not remember your account information, tap **Forgot Username or Password**.

Enter the District Code

The district code is a four-digit code that you enter on the sign-in screen. This connects the app to the PowerSchool SIS at your school district. You will then enter your username and password to sign in to PowerSchool.

Obtain your district code using one of the following options:

- Retrieve the District Code from the Parent and Student Portal
- Search by School or District Name
- Enter the Server URL for Your District

How to Search for Your District in the Android App

1. Open the PowerSchool Mobile app.
2. On the District Code screen tap **Where's My District Code?**
3. Next, tap **Search by School or District**.
4. Enter the full district name or school name in the field(s) provided, and then tap **Search**.
5. On the Search Results screen, tap the correct district name.

How to Enter the Server URL for Your District in the Android App

1. Open the PowerSchool Mobile app.
2. On the District Code screen tap **Where's My District Code?**
3. Next, tap **Enter Server Address**.
4. Enter the PowerSchool server address in the field provided by your school district, and then tap **Continue**.

Enter Your Username and Password
On the Sign In screen, enter your PowerSchool Parent Portal username and password, and then tap **Sign In**.
